

Join Us for **TUESDAY NIGHT TALKS**

Beginning Tuesday, Oct 6, 6:30 PM

In the past few years, the Adult Forum and the Educational and Spiritual Growth committee have attempted to address issues related to race in the United States, structural racism and oppression, allyship with marginalized communities, and a host of related topics.

As our country grapples with the realities of its ongoing injustices that have been revealed by recent events and continuing violence against black and brown bodies, it has become clear that we, as a religious people, and as people who benefit from white privilege, are now called to do more.

The Education and Spiritual Growth committee have thoughtfully decided to continue this conversation with an altered time, format, and name, to confirm and reinforce our commitment to facilitating deeper exploration and discussion.

Adult Forum will now be known as **Tuesday Night Talks** or **TNT** and take place on Tuesday evenings from 6:30 to 8:00 pm. For this year, we will explore the concerns, policies, structural inequalities, and proposed changes outlined by SCAR, the Spokane Community Against Racism. SCAR has recently

released a Platform for Change for which numerous area organizations have publicly declared their support. Their platform can be found on their website

[//www.scarspokane.org/platform-for-change](http://www.scarspokane.org/platform-for-change). Our exploration will include multiple sources and will draw from the quickly growing body of film, literature, and writings on these subjects. Your recommendations are always welcome!

Please join us this season for our new imagining of Adult Forum as **Tuesday Night Talks**, as we continue our journey to learn about, process, and address these difficult realities. Our first session will be Tuesday, October 6th at 6:30 pm via Zoom:
